Automated Mileage Tracker in 0365 - MileIQ

Automatic Mileage Tracking that Works

Automatic Tracking

MileIQ catches your drives automatically. The app runs in the background tracking your miles or creating a comprehensive record of your drives.

Classify Drives With Ease

Swipe right for business drives – swipe left for personal drives. Easily add details such as parking, tolls or drive purposes to suit your specific needs.

Accurate Reports

MileIQ creates a record of your mileage and sends you weekly reports. Need more? Use the web dashboard to generate highly customizable reports.

Auto Delete Tweets

- Automatically removes posts older than a specified age from your Twitter feed
- Delete up to 3,200 Tweets at once

A screenshot of the TweetDelete activation interface. At the top, the 'tweet DELETE' logo is displayed inside a light blue cloud. Below the logo, the text 'Automatically delete my tweets that are more than' is followed by a dropdown menu showing 'three months' and an 'old' label. There are three checkboxes: the first is 'DELETE ALL MY TWEETS before activating this schedule' (highlighted in red), the second is 'Post to my feed to let my friends know I activated TweetDelete', and the third is 'Follow @Tweet_Delete for future updates'. At the bottom, there is a large green button labeled 'Activate TweetDelete'.

HOW TO ERASE PAGES IN YOUR ROCKETBOOK WAVE

Let's get something straight. You can't microwave individual pages of your Rocketbook Wave. If you want the pages to erase, you need to microwave the whole book. This article gives step by step instructions around how to safely and correctly erase your Wave notebook without having to answer uncomfortable questions about how your kitchen caught on fire. Let's get started. Or, [zoom down to our video if you have a short attention span.](#)

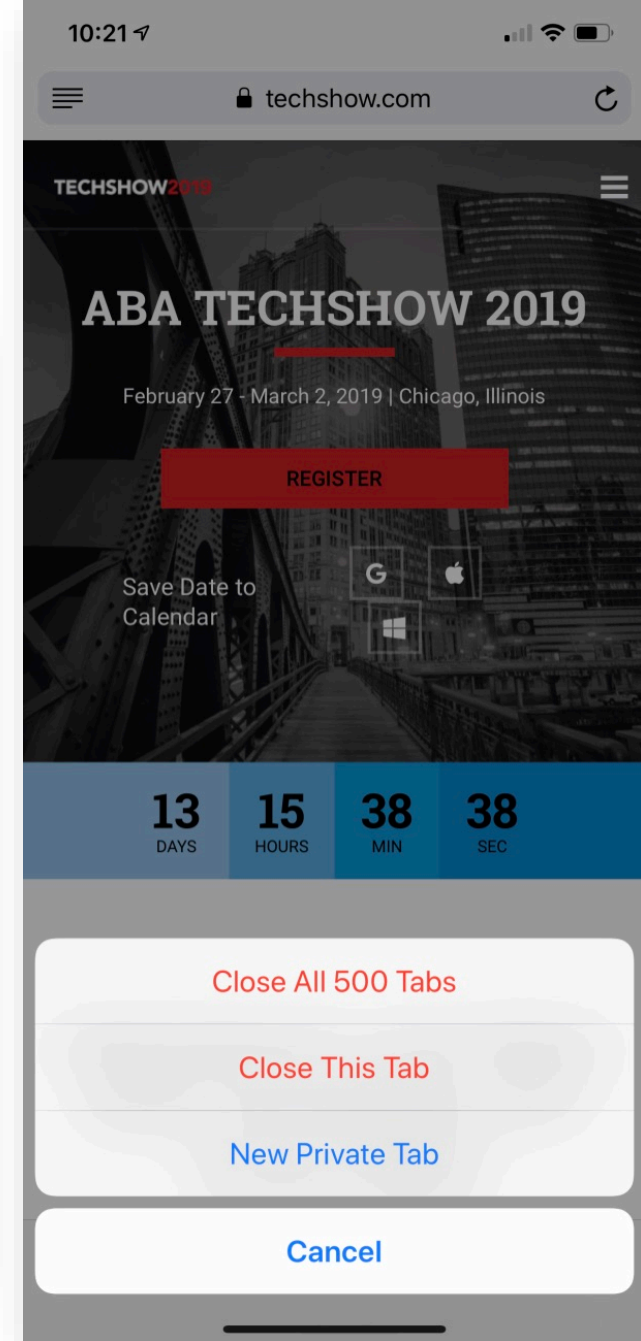

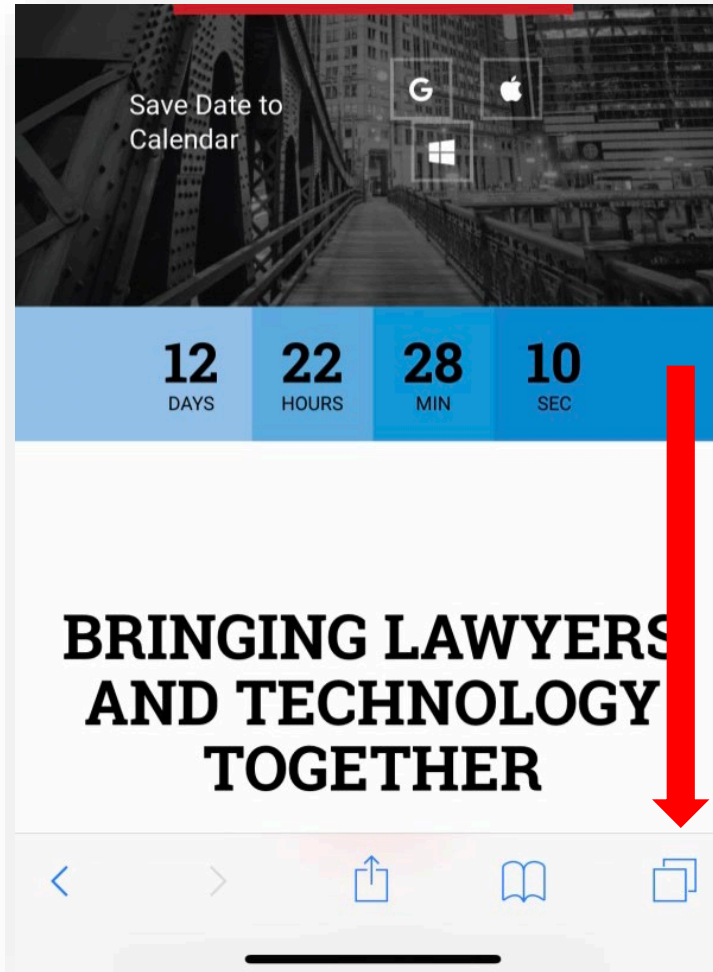

- **Make sure to write with a Pilot FriXion pen, highlighter or marker.** If you write with a pen that doesn't contain Pilot FriXion ink, your page will not erase.

• ~~Cure all pages before you erase them.~~ Remember? Digitizing your data is one of many

Chrome One Tab

- Speed up Chrome
- Reduce tab clutter
- Collapse all tabs into a single page
- Save up to 95% memory

The advertisement for OneTab features a large blue ribbon graphic on the left. The title 'OneTab' is in a large, white, outlined font. Below it, the text 'Save up to 95% memory and reduce tab clutter in Google Chrome' is displayed. The main visual is a comparison of a Chrome browser window before and after using OneTab. The 'Before' state shows a browser window with many tabs open, labeled 'Before: 1981 MB used'. The 'After' state shows the same browser window with all tabs collapsed into a single 'OneTab' interface, labeled 'After: only 99 MB used'. A large '95%' is shown with the text 'memory reduction' below it, with an arrow pointing from the 'Before' state to the 'After' state.
